

Grow with us

“Smiling consumers, loyal to our brands, in every continent.” This mission is the basis for innovative and contemporary premium cigarillos and cigars such as MOODS and ARTIST LINE. DANNEMANN is an international brand that stands for pleasure and quality – from the tobacco seed right through to the smoking experience.

Our operations are very successful. Our service-oriented approach, uncompromising quality management and constant innovation win a high degree of recognition from our customers. Our value and supply chain is based on a sustainability policy reflecting our responsibility for employees and the natural environment.

DANNEMANN offers continuous 6 months' traineeships at its location in São Félix (Bahia, Brazil), starting with a two week orientation/familiarization period at our location in Lübbecke (Germany) and a one week stay in Brissago (Switzerland).

International Traineeship

São Félix (Bahia, Brazil)

Your profile

- * You are a tourism or event management business graduate or you have completed a commercial apprenticeship with focus on tourism or event management, or you are still pursuing a business/ commercial training in the afore-mentioned fields
- * You have a good command of English and Spanish or Portuguese and have a keen interest in learning new languages
- * You are familiar with all MS Office applications (Word, Excel, PowerPoint)
- * You have already gained some experience in project management as well as experience abroad, ideally in a country outside Europe/North America
- * You are open to new experiences and other cultures and interested in tourism and event management
- * You like a hands-on, practical, and pragmatic approach to your job and you are used to working independently on your own initiative
- * You are flexible and persistent, creative, and an excellent communicator
- * You have a driver's licence for passenger cars

Your tasks

- * You will look after visitor groups from many different countries to our Centro Cultural DANNEMANN and carry out administrative work at our Centro Cultural DANNEMANN
- * You will assist in our reforestation project „Adopt a Tree“, as well as in some of our projects in the fields of tourism and event management, and realize some smaller projects on your own

What we offer

You will be granted an appropriate remuneration for your traineeship. The cost for your return ticket as well as for your accommodation and a 14 days' language course will be borne by DANNEMANN. Your main place of work and residence will be in São Félix, a small town with about 15,000 inhabitants. The town is located in the direct hinterland of Salvador, in the region of Reconcavo. In this region, mainly characterized by agriculture, tobacco and cocoa are the main crops. You will find more information about São Félix at: www.DANNEMANN.com

If you are interested, please do not hesitate to submit your detailed application with copies of all relevant documents. Iris Kaeslin Grogg (+41 79 509 65 07) will be pleased to answer any questions or provide preliminary information.
